

*To all of our friends,*

*We have hosted the Northeast Clown Convention for several years at The Radisson Hotel Plymouth Harbor and we have many good things to say about ALL of the members!*

*Each year the first thing we think of is - I wonder how many balloons will be in the lobby chandelier this year.. and it's always a thrill to see the "new" balloon sculptures (it's amazing how some of these are made).*

*Everyone in the hotel looks forward to a house full of clowns to break up the monotony of the winter months!*

*Mr. Sickles aka: BUTTONS and Mr. Newcomb aka: Do-No are always a pleasure to work with!*

*We look forward to every year you are with us!*
