**To the Board and Staff
Northeast Clown Institute**

I write this letter to let each and every one of you know how proud I am to have been asked to be a part of your great event.

I attend many workshops and convention during each calendar year. The Northeast Clown Institute without a doubt is among the best if not the best learning program I have seen.

Most workshops cater to the masses and take little or no time to fulfill the needs of the individual. Each Northeast Clown Institute attendee is given special care and attention based on their individual needs. This alone sets you head and shoulders above most workshops and Clown Schools.

Along with the educational opportunity given each attendee is the great social experience. Northeast Clown Institute has developed a wonderful mix of learning the art of clowning while developing a controlled but enjoyable social atmosphere.

Once again thank you for allowing me to be a part of Northeast Clown Institute. I look forward to working with you in the future.

Thank you,

Tom King
