

Dear Students, Instructors, and Valued Vendors,

As the Dean of the Northeast Clown Institute, it is with great pleasure that I welcome you to the 2025 session! Whether you're a returning student, an instructor, a vendor, or someone joining us for the first time, I am thrilled to have you with us for another year of laughter, learning, and unforgettable experiences.

Reflecting on the 2024 session, one thing stands out above all—the sheer joy we created together, if you attended the banquet last year, I had a great time performing for you all. If you are planning to attend the banquet this year, we have yet another wonderful performer planned.

From the lively workshops to the spontaneous moments of hilarity, last year was filled with an energy that only this incredible community could generate. Each of you brought your own unique spark, and together, we crafted a year that will be remembered fondly by all who participated. Thank you for your passion, creativity, and commitment to the art of clowning.

To those joining us for the first time, welcome to our vibrant and colorful world! You're stepping into an environment where creativity knows no bounds and every day holds the potential for something extraordinary. Whether it is mastering new skills, discovering your clown persona, or simply soaking in the infectious energy of our community, we're excited to see how you'll contribute to the magic of our world.

To our returning students, especially those in their final year, congratulations on how far you have come! The growth and creativity you have displayed over the years have been nothing short of inspiring. As you prepare for your next chapter, know that you've left a

lasting impact on this institute. We hope to see many of you continue to share your talents, perhaps even as future instructors who will guide the next wave of clowns.

Our deep appreciation also goes out to our vendors, whose unwavering support makes everything we do possible. Whether providing makeup, costumes, or just a helping hand, your contributions are essential to our success, and we are grateful for your partnership.

As we embark on the 2025 session, let us build on the momentum of last year and create even more moments of joy, creativity, and connection. Together, we will continue to push the boundaries of our art and make this year one to remember.

Welcome to the 2025 session of the Northeast Clown Institute! Let's make it a year full of laughter, growth, and boundless joy.

Warm regards,

Joel "JewLs" Miller
